

10.03.2023 Common Council Session, Discussion of Request for Agenda Item 25 "Retaining an outside law firm to advise the common council on employee discipline and termination matters")

Council President Allen 1:52:48

All right. We'll be back in session then. Let's move on. Rounding the corner here. Retaining an outside law firm to advise council on employee discipline. And uh I have here what I gave personally to [aside] John you're rolling your eyes what's going? To Karri at a meeting with she and John and said for employee [emphasis] discipline. It didn't say termination. So I don't know how termination got put on the agenda. But there it is.

City Clerk Anderberg 1:53:19

From your email.

Council President Allen 1:53:20

This is right here.

City Manager Weidl 1:53:21

You sent a follow up email to both myself and Karri stating that you disagreed with our opinion that it was a closed session item and you prefer it to be an open session and provided new language which included termination.

Council President Allen 1:53:31

I did not include new language.

City Manager Weidl 1:53:33

We have the email.

Council President Allen 1:53:35

Okay, I'd like to see. Thank you. I didn't provide new language.
